INTRODUCTION

OUR EXCLUSIVE FIREPLACES
ARE ALWAYS SEEN AS THE
HEART OF THE HOME

GlammFire was founded in September 2008, in northern Portugal, with the goal of developing and manufacturing exclusive fireplaces. The will for greater efficiency, the search for differentiation, achieved by the development of unique products, and the respectful commitment to ecology are present in every detail of GlammFire products.

PORTUGUESE DESIGN

Besides being pioneer in its sector in Portugal, GlammFire directs its products to a dynamic global market, featuring the best of Portuguese design. In a concerted strategy of diversification, the broadening of the range and customization of products always follow the needs and consumption patterns of customers. The passion for fire creates contemporary lines.
